**Most Urgent/Time Bound**

To
The Principal,
Govt. College Sector 09,
Gurugram

**Subject: Regarding option to Students of BA JMC Semester 4th related to May 2025 Examination**

Sir/Madam,

Please refer to the subject cited above. It is informed that bundles of answer sheets related to the following are untraceable, despite thorough checking of the records:

1. Media & Polity
2. Radio Journalism

In this regard, as per Clause 26 of the Gurugram University Calendar (Examination Ordinances), the concerned students may either:

1. Re-appear in the said paper on the date to be fixed by the University without payment of any examination fee, or
2. Opt for award of marks equal to the average marks obtained in other theory papers of the same semester, subject to the provisions of the Ordinance.

You are, therefore, requested to inform the concerned students immediately and obtain their option/consent regarding the above and submit the same to the undersigned latest by **11-06-2026** upto 3 PM as Re-appear exam of this course is scheduled to be held on soon.

**Controller of Examinations**

**Copy to:**
The copy of the above is forwarded to the following for kind information:

- PA to VC/Registrar, Gurugram University, Gurugram
- Branch Head Result I, Gurugram University, Gurugram

**In the notice which is showing aforesaid the concerned authority gives two options before the affected students of BAJMC sector - 9 PG Govt college .**

## Authority Gives Two Options There in Notice :

1) **The Students will Have to Give The Re-appear exams mere because of Somehow they have lost student's *Answerbooks* Of two subjects namely as 'MEDIA AND POLITY' and 'RADIO JOURNILISM' of the 4th semester exam which is earlier mentioned in the notice.**

2) **They will Give average marks to each students on the basis of the of their marks which they obtained in other subjects of same semester.**

**But the question which arises in one's mind here is: did they actually get what they wanted? Have the students' concerns ended**

**now and been limited to the 4th semester result only? Is that the only concern and problem which stands before the students?**

**Absolutely not. These are the questions that arose in the students' minds when they received this notice from the concerned authority. However, the authority is well aware that there are a lot of issues and problems which have stood and been generated throughout the academic journey of the 3-year graduation before the students by the concerned authority.**

**And even knowing these concerns and problems of the students, they silently took a step back without showing any concern for the vulnerable students of the college.**

- *Now we will have to go through the actual major issues, apart from the 4th semester examination result, which have been completely ignored by the authority.*

# CORE DEMANDS AND OBJECTIVE OF CONCERNED

# STUDENTS BEFORE AUTHORITY

## Issuance of All Pending DMCs and Marksheets

**The students demand the immediate issuance of hard copies of all Detailed Marks Certificates (DMCs), marksheets, and related academic records for all completed semesters, including the First, Third, and Fifth Semesters. These documents are essential for admissions, employment opportunities, scholarships, competitive examinations, and various academic purposes. Their continued withholding has already caused significant hardship to the students**

## Refund and Clarification Regarding Re-Appear Fees

**Students who deposited re-appear examination fees through the official University portal must be provided with a clear explanation regarding the status of such payments. Where such fees were collected due to errors, incorrect entries, or administrative lapses, the concerned students must be refunded the full amount without unnecessary delay.**

A. **Students believe many of these entries were incorrect or inaccurate.**
B. **Financial Loss to Students**
C. **Students paid between ₹1,000 and ₹3,000 through the Samarth Portal due to the reappear entries.**
D. **Refunds and clarifications have not been provided despite multiple requests**

## Immediate issuance of all pending:

a) **DMCs**
b) **Marksheets**
c) **Academic records**

d) **Including records for First, Third, and Fifth Semesters.**

**These documents are required for admissions, jobs,scholarships, and competitive examinations**

## Extraordinary Failure Rate in One Subject

**According to students:**

**Approximately 80%–90% of the class was declared unsuccessful in Media and Economics (Paper ID 11775) in the Fifth Semester examination.**

**This is a potentially significant academic concern because such an unusually high failure rate often prompts scrutiny of:**

- **Evaluation processes,**
- **Question paper difficulty,**
- **Assessment consistency.**

## WHAT IS THE GUARTNATEE THAT EVERY STUDENT WILL GET PASS?

# AFTER DECLARATION OF THE 4TH SEMESTER RESULT? BY AUTHORITY?

**The students also raise a concern here that there is no written guarantee from the authority that every student will pass through this average marks formula. This concern arises because the authority has stated that every student will receive marks in the 4th semester result on the basis of the average marks obtained in other subjects of the same semester.**

**However, the question is: if a student has only just passed in the other two theory subjects, then on what basis will marks be awarded in the 4th semester result? In such a case, if that student, through the averaging process, does not obtain the minimum passing marks in the 4th semester examination result, but might have secured the minimum passing marks or even more had he or she been given the opportunity to have the practical examination evaluated—which had already been conducted earlier by the students, but whose answer books were later lost by the concerned authority—then will that student receive justice?**

**This is one of the biggest and most significant concerns raised by the students.**

**ALSO THE IMPORTANT CONCERNING POINTS AND ISSUED RAIED BY STUDENTS AFTER THE NOTICE :**

1. **What about the marksheets for the remaining semesters?**
2. **When will the DMC/degree be issued?**
3. **What about the refund of the money that students paid through the portal?**
4. **How can we be assured that the RE in practicals will no longer be reflected in the results?**
5. **If an RE is still awarded (that is, if a student receives an RE even in the 4th semester result under the average marks formula), then he or she will have to wait another year to reappear for the examination. If the results had been declared on time, we would have already had the opportunity to clear the RE by now.**
6. **What are the actual reasons behind the failure of such a large number of**

**students in the subject "Media and Economy" in the BAJMC course? The students demand a proper scrutiny of this matter.**

# UGC-GUIDELINES PROVISIONS

## 6.1 Students Have a Right to Timely _

7. **Examinations and Result Declaration.**
8. **6.1(a) Under the UGC Students' Entitlement Guidelines, 2012, students are entitled to : Timely conduct of examinations,**

9. **Declaration of results according to the academic calendar/prospectus published by the institution.**

10. **This is particularly relevant to this situation because if**

11. **the university has not declared results for over a year, it can be argued that the institution has failed to provide the timely declaration of results contemplated by UGC guidelines.**

## Degree Must Be Awarded Within 180 Days

12. **UGC has repeatedly directed Higher Education Institutions to award degrees and final certificates within 180 days of the declaration of results.**

13. **This means:**

14. **Result declared → Degree/DMC/Certificate should follow within the prescribed period.**

15. **The rule does not authorize universities to delay result declaration indefinitely.**
